

# Planned future Aquifer Storage & Recovery (ASR) and Aquifer Recharge (AR) well fields and basins

This map does not represent all ASR & AR projects in Texas.  
 Project information is from the 2021 Regional Water Plans.  
 Locations are approximations and may not reflect the final facility site.

## Project type, water source type

- ▲ AR, surface water
- ▲ AR, rainwater harvesting
- ASR, surface water
- ASR, groundwater
- ASR, reclaimed water
- ASR, various
- Alternative water strategy

## Regional Water Planning Area

### ASR or AR strategy category

- Recommended
- Alternative
- Both
- Neither
